Logo Competition

It has been decided that 10th Asian Buffalo Congress (10th ABC), an official Congress of the Asian Buffalo Association (ABA), will be organized by Agriculture and Forestry University (AFU), Department of Livestock Services/Ministry of Agriculture and Livestock Development (MoALD), Nepal Agricultural Research Council (NARC) and the ABA from February 17 to 20, 2021, in Kathmandu, Nepal.

The organizing committee of the 10th ABC is now pleased to announce the open **logo competition** for **Official Logo of the Congress**.

The logo should contain the image/graphics to represent the “**Asia, Nepal and Buffalo (Nepalese indigenous buffalo)**” with a gentle and logical color combination. Also, the designer is asked to design the **letter head** fitting the logo on the left upper part. The main part of the letter head should contain “**10th Asian Buffalo Congress (ABC 2021)**” followed by “**February 17-20, 2021**”, then “**Kathmandu, Nepal**” The small size official logos of the AFU, MoALD, NARC and ABA in sequential order should also appear on the letter head wherever appropriate.

The organizing committee will offer a “Winner’s Award” with “Token of Love” to the winner that will be awarded during the Congress. All other competitors will receive the “Letter of Appreciation”

The organizing committee reserves all rights on selecting the logo.

The submission automatically refers as the permission to use it for the said purpose, once selected.

Please submit the logo at subirsingh@hotmail.com or drmanojpg@gmail.com or bdevkota@afu.edu.np.

The deadline for submission is February 29, 2020 (Falgun 17, 2076).

For further information/query, please contact to the above e mails.
